**What Is The Jesse Box?** An Interactive learning tool that, together with the Bible, teaches the faith through the narrative of salvation history. Consists of many "stories" that walk students through God's saving plan.

**Components:**

***Diorama (and wooden pieces)*** A folding box with three sections that stage the separate sessions of the stories. Includes 11 wooden cones (support for all characters) and 9 wood animals.

***Story Manual*** Includes all that you will need to portray the story. Includes characters, props and scenery. Provides step-by-step lesson plans that contain prayer, Bible references, simple explanations & discussion questions.

***Activity Book*** Is a reproducible. Activities reinforcing what student have learned in each session.
