

Join the St. Margaret Mary Parish E-mail Legislative Action Alert Network

“The voices of parishioners need to be heard on behalf of vulnerable children—born and unborn —on behalf of those who suffer discrimination and injustice, on behalf of those without health care or housing, on behalf of our land and water, our communities and neighborhoods. Parishioners need to bring our values and vision into the debates about a changing world and shifting national priorities.”

- Communities of Salt & Light: The Social Mission of the Parish, by the U.S. Catholic Bishops, 1993
